Emergency Services

Ground Team

On Saturday, 23 March, Maryland Wing was alerted to support the Montgomery County Police on a **missing person search** in the Tacoma Park area. Missing was a 57 year old male patient that had left a nursing home facility during the early morning hours of that day. Maryland Wing ground teams from Bethesda-Chevy Chase, Howard, Bowie, Glen L. Martin, and White Marsh squadrons as well as assorted Wing HQ personnel responded quickly to the request. By 1800 that evening, two ground teams and mission staff personnel were at the command post and searches of the wooded areas near the nursing home had started.

The Howard squadron ground team was ably lead by Maj. Dave Younce (not shown below) and somehow found the time to commemorate the outing with this photo.

During the search, our personnel also worked directly with a Maryland State Police helicopter, CAP would investigate 'hot spots' found with its FLIR system.

In all, 36 people responded on Saturday night (with more on reserve for Sunday), even though a number of the wing vans were out of state on other activities.

The missing patient was found in the early hours of 24 March along US route 1 in PG County. This mission more than demonstrates the professionalism, resourcefulness, and responsiveness of our Maryland Wing ground teams. A hearty 'well-done' is due to all ground team personnel that responded.
